

Amal Rahimli

"Hello, I'm Amal Rahimli, an 18-year-old enthusiast with a passion for creating websites, games, music and videos. Proficient in a range of creative software, including FL Studio for music production, Premiere Pro and Photoshop for video editing and design, Audacity for audio manipulation, and Adobe XD, Figma, Blender, Unity, and Unreal Engine for immersive multimedia experiences. My versatile skill set and keen interest in multimedia arts drive my commitment to producing engaging and innovative content. I thrive in dynamic environments where creativity and technology converge, and I am eager to contribute my skills to projects that push the boundaries of digital expression."
